SUBJECT INDEX

A

Acquired immunodeficiency syndrome
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Nursing management of the AIDS patient at home (Sjolander). 1988;15:154-7
Aging
Maintenance of healthy skin (Klein). 1988;15:227-31
Air-fluidized bed
Cost-effectiveness and efficacy of air-fluidized therapy in the treatment of pressure sores (Greer et al). 1988;15:247-51 (Case notes)
The effects of a therapeutic bed on pressure ulcers: an experimental study (Jackson et al). 1988;15:220-6
Allergy; *see* **Hypersensitivity**
Antibody resistance; *see* **Drug-resistance, microbial**
Antineoplastics
Chemotherapy: its effects on a stoma (Smith). 1988;15:138-9 (Case notes)
Anus, imperforate
Common conditions requiring gastrointestinal stomas in infants (Roback and Boarini). 1988;15:162-6 (Keeping current)

B

Bandages
Preparing the patient for home care of the percutaneous nephrostomy tube (Guidos). 1988;15:187-90
Re: Management of pressure sores (Faller). 1988;15:214 (Letter)
Report of a multicenter clinical trial on the performance characteristics of two occlusive hydrocolloid dressings in the treatment of noninfected, partial-thickness wounds (Myers et al). 1988;15:158-61
An unusual challenge: oral-cutaneous fistula (Sage). 1988;15:91-2 (Case notes)

January/February, pp. 1-50; March/April, pp. 51-98; May/June, pp. 99-144; July/August, pp. 145-80; September/October, pp. 181-214; November/December, pp. 215-70.

Beds
Cost-effectiveness and efficacy of air-fluidized therapy in the treatment of pressure sores (Greer et al). 1988;15:247-51 (Case notes)
The effects of a therapeutic bed on pressure ulcers: an experimental study (Jackson et al). 1988;15:220-6
Bedsore; *see* **Decubitus ulcer**
Bicycling
"Saddle sores" and pressure sores (Carter). 1988;15:259 (Letter)
Bladder
Urinary incontinence (Mash et al). 1988;15:68-80 (Standards of care)
Urinary incontinence (Weigel). 1988;15:24-9
Urinary incontinence: diagnosing the problem (Wheeler et al). 1988;15:240-6 (Keeping current)
Bladder exstrophy
Booklets on exstrophy available (Jeter). 1988;15:259 (Letter)
Book reviews
In review. 1988;15:49; 96; 180

C

Cancer; *see* **Neoplasms**
Case notes
Case notes. 1988;15:87-92; 138-9; 167-73; 206-9; 247-53
Chemotherapy; *see* **Drug therapy**
Child, hospitalized
Diaper dermatitis in the hospitalized child (Kramer and Honig). 1988;15:167-70 (Case notes)
Child care
Information requested (Johns). 1988;15:144 (Letter)
Clinical competence
Clinical studies (Mulder). 1988;15:260 (Letter)
Survival of the fittest (Motta). 1988;15:1-2 (President's message)
Communicable diseases, prevention
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Community health services
DRGs: implications for the ET nurse in the community setting (Tomaselli). 1988;15:33-5

Computer systems
An ET computer terminal project (Fox). 1988;15:214 (Letter)
Correction
Inflammatory bowel disease: a visual presentation for educators (Rolstad) (1988;15:49). 1988;15:180
Report of a multicenter clinical trial on the performance characteristics of two occlusive hydrocolloid dressings in the treatment of noninfected, partial-thickness wounds (Myers et al) (1988;15:158-61). 1988;15:209
Correspondence
Letters. 1988;15:50; 97-8; 144; 214; 259-60
Cost control
The daring young man on the gurney (Alterescu). 1988;15:54-5 (Guest editorial)
Cross infection
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Current literature
Current literature. 1988;15:45-8; 93-5; 140-3; 174-9; 210-3; 254-8
Cytarabine
Chemotherapy: its effects on a stoma (Smith). 1988;15:138-9 (Case notes)

D

Decubitus ulcer; *see also* **Decubitus ulcer, therapy**
Assessment tools for the identification of patients at risk for the development of pressure sores: a review (Taylor). 1988;15:201-5 (Keeping current)
Dermal wounds: pressure sores. 1988;15:4-17 (Standards of care)
More on pressure sores (Valencia). 1988;15:144 (Letter)
Opportunities in face of a supply crisis (Motta). 1988;15:145-6 (President's message)
"Saddle sores" and pressure sores (Carter). 1988;15:259 (Letter)
Decubitus ulcer, therapy
Cost-effectiveness and efficacy of air-fluidized therapy in the treatment of pressure sores (Greer et al). 1988;15:247-51 (Case notes)
Dermal wounds: pressure sores. 1988;15:4-17 (Standards of care)
The effects of a therapeutic bed on pressure ulcers: an experimental study (Jackson et al). 1988;15:220-6
Management of pressure sores (Doughty). 1988;15:39-44 (Keeping current)
Re: Management of pressure sores (Faller). 1988;15:214 (Letter)
Report of a multicenter clinical trial on the performance characteristics of two occlusive hydrocolloid dressings in the treatment of noninfected, partial-thickness wounds (Myers et al). 1988;15:158-61
Dermatitis
Diaper dermatitis in the hospitalized child (Kramer and Honig). 1988;15:167-70 (Case notes)
Diagnostic related groups
DRGs: implications for the ET nurse in the community setting (Tomaselli). 1988;15:33-5
Diaper rash
Diaper dermatitis in the hospitalized child (Kramer and Honig). 1988;15:167-70 (Case notes)
Drainage
A case control clinical trial of two wound drainage collection systems (Jackson et al). 1988;15:191-5
Challenges in creating convexity: a management method (O'Connor). 1988;15:171-3 (Case notes)
A clinical report on the comparison of a drain/tube attachment device with conventional suture methods in securing percutaneous tubes and drains (Powers et al). 1988;15:206-9 (Case notes)
Help! (McCue). 1988;15:144 (Letter)
Management of fistula care with a wound drainage collector (Tonn). 1988;15:87-90 (Case notes)
Purple urine bags (Appleby). 1988;15:50 (Letter)
Rectal tubes for fecal incontinence (Brown). 1988;15:97 (Letter)
Dressings; *see* **Bandages**
DRGs; *see* **Diagnostic related groups**
Drug administration routes
Information requested (Saunders). 1988;15:214 (Letter)
Drug therapy
Chemotherapy: its effects on a stoma (Smith). 1988;15:138-9 (Case notes)
Drug-resistance, microbial
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4

E

Editorial
Editorial. 1988;15:3; 219
Electrolyte balance; *see* **Water-electrolyte balance**
Enteral feeding
Feeding gastrostomy (Faller). 1988;15:214 (Letter)
Enterocolitis, pseudomembranous
Common conditions requiring gastrointestinal stomas in infants (Roback and Boarini). 1988;15:162-6 (Keeping current)
Enterostomy
Concerns of clients and spouses regarding ostomy surgery for cancer (Coe and Kluka). 1988;15:232-9
Teaching ostomy care to the pediatric client: a developmental approach (Erwin-Toth). 1988;15:126-30
Enterostomy, history
Twenty years of growth and caring (Motta). 1988;15:215-8 (President's message)
Exstrophy; *see* **Bladder exstrophy**

F

Family therapy
Preliminary development of the Family in Rehabilitation Inventory (Watson). 1988;15:196-200

Fecal incontinence
Effective fecal collectors (Peterson). 1988;15:259 (Letter)
Rectal tubes for fecal incontinence (Brown). 1988;15:97 (Letter)
Feeding gastrostomy; *see* **Gastrostomy**
Fistula
Management of fistula care with a wound drainage collector (Tonn). 1988;15:87-90 (Case notes)
An unusual challenge: oral-cutaneous fistula (Sage). 1988;15:91-2 (Case notes)
Fluid balance; *see* **Water-electrolyte balance**

G

Gastroenteritis
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Gastrostomy
Feeding gastrostomy (Faller). 1988;15:214 (Letter)
Gloves
Gloving—continued (Doughty). 1988;15:97 (Letter)
Gloving—continued (Rutland). 1988;15:97-8 (Letter)
More on gloving (Gawron). 1988;15:50 (Letter)
Guest editorial
Guest editorial. 1988;15:54-5

H

Handwashing
Gloving—continued (Doughty). 1988;15:97 (Letter)
Gloving—continued (Rutland). 1988;15:97-8 (Letter)
Healing; *see* **Wound healing**
Health education
Producing consumer education materials (Motta). 1988;15:65-7
Health insurance; *see* **Insurance, health**
Health Insurance for Aged and Disabled, Title 18
Compensation, kickbacks, and the law (Lucas-Wallace). 1988;15:30-2
The daring young man on the gurney (Alterescu). 1988;15:54-5 (Guest editorial)
Health services, economics
The daring young man on the gurney (Alterescu). 1988;15:54-5 (Guest editorial)
Health services research
In the future: research and the ET nurse (Lindeman). 1988;15:56-9
Hepatitis A virus
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Hepatitis B virus
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Herpes simplex virus; *see* **Herpesvirus hominis**
Herpesvirus hominis
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Hirschsprung disease
Common conditions requiring gastrointestinal stomas in infants (Roback and Boarini). 1988;15:162-6 (Keeping current)
Home care services
DRGs: implications for the ET nurse in the community setting (Tomaselli). 1988;15:33-5
Nursing management of the AIDS patient at home (Sjolander). 1988;15:154-7
Homosexuality
Meeting the psychosocial needs of the homosexual person with a stoma (Etnyre). 1988;15:121-5
Sexuality and the homosexual person with a stoma (Smith). 1988;15:118-20
Hospital-acquired infection; *see* **Cross infection**
Husband; *see* **Spouse**
Hygiene
Maintenance of healthy skin (Klein). 1988;15:227-31
Hyperkalemia
Fluid and electrolytes: assessment and interventions (Heitkemper and Bond). 1988;15:18-23
Hypernatremia
Fluid and electrolytes: assessment and interventions (Heitkemper and Bond). 1988;15:18-23
Hypersensitivity
Soy allergy (Faller). 1988;15:259-60 (Letter)
Hypokalemia
Fluid and electrolytes: assessment and interventions (Heitkemper and Bond). 1988;15:18-23
Tea as source of potassium replacement? (Zapotocky) (Letter); (Holmes and Notarangelo) (Reply). 1988;15:50
Hyponatremia
Fluid and electrolytes: assessment and interventions (Heitkemper and Bond). 1988;15:18-23

I

Ileostomy
An ET nurses' challenge: obesity and a high output ileostomy (Biblehimer). 1988;15:252-3 (Case notes)
Ileus, meconium; *see* **Intestinal obstruction**
Imperforate anus; *see* **Anus, imperforate**
Incontinence; *see* **Fecal incontinence**; **Urinary incontinence**
Index
Locating articles in index (Kepka) (Letter); (Halpin-Landry) (Reply). 1988;15:260
Infant
Common conditions requiring gastrointestinal stomas in infants (Roback and Boarini). 1988;15:162-6 (Keeping current)
Insurance, health
Compensation, kickbacks, and the law (Lucas-Wallace). 1988;15:30-2
The daring young man on the gurney (Alterescu). 1988;15:54-5 (Guest editorial)
International Association for Enterostomal Therapy
Twenty years of growth and caring (Motta). 1988;15:215-8 (President's message)

Intestinal obstruction
Common conditions requiring gastrointestinal stomas in infants (Roback and Boarini). 1988;15:162-6 (Keeping current)

J

Journal of Enterostomal Therapy
Locating articles in index (Kepka) (Letter); (Halpin-Landry) (Reply). 1988;15:260
A year in review (Halpin-Landry). 1988;15:219 (Editorial)

K

Keeping current
Keeping current. 1988;15:39-44; 81-6; 162-6; 201-5; 240-6

L

Leg ulcer
Dermal wounds: leg ulcers. 1988;15:102-17 (Standards of care)
Legislation
Compensation, kickbacks, and the law (Lucas-Wallace). 1988;15:30-2
Letters to the editor
Letters. 1988;15:50; 97-8; 144; 214; 259-60
Life change events
Life span growth and development: a review and application to nursing diagnosis (McWeeny). 1988;15:81-6 (Keeping current)
Literature
Current literature. 1988;15:45-8; 93-5; 140-3; 174-9; 210-3; 254-8
Lobbying
Reflections on the first year in office (Motta). 1988;15:99-101 (President's message)

M

Meconium ileus; *see* **Intestinal obstruction**
Medicare; *see* **Health Insurance for Aged and Disabled, Title 18**
Moisturizers
Maintenance of healthy skin (Klein). 1988;15:227-31

N

Necrotizing enterocolitis; *see* **Enterocolitis, pseudomembranous**
Neoplasms
Concerns of clients and spouses regarding ostomy surgery for cancer (Coe and Kluka). 1988;15:232-9
Nephrostomy, percutaneous
A clinical report on the comparison of a drain/tube attachment device with conventional suture methods in securing percutaneous tubes and drains (Powers et al). 1988;15:206-9 (Case notes)
Development and evaluation of a protocol for percutaneous nephrostomy tubes (Mayhew and Guidos). 1988;15:183-6
Preparing the patient for home care of the percutaneous nephrostomy tube (Guidos). 1988;15:187-90
Standards of care for the patient with a percutaneous nephrostomy tube (Barr). 1988;15:147-53
Nosocomial infection; *see* **Cross infection**
Nursing
ET nurse entrepreneurs (Motta). 1988;15:181-2 (President's message)
In the future: research and the ET nurse (Lindeman). 1988;15:56-9
Opportunities in face of a supply crisis (Motta). 1988;15:145-6 (President's message)
Promotional strategies for ET nurses (Motta). 1988;15:51-3 (President's message)
Nursing assessment
Assessment tools for the identification of patients at risk for the development of pressure sores: a review (Taylor). 1988;15:201-5 (Keeping current)
Nursing care, standards
Standards of care for the patient with a percutaneous nephrostomy tube (Barr). 1988;15:147-53
Standards of nursing care—implications for the ET nurse (Mash). 1988;15:131-2
Nursing diagnosis
Life span growth and development: a review and application to nursing diagnosis (McWeeny). 1988;15:81-6 (Keeping current)

O

Obesity
An ET nurses' challenge: obesity and a high output ileostomy (Biblehimer). 1988;15:252-3 (Case notes)
Occlusive dressings
Report of a multicenter clinical trial on the performance characteristics of two occlusive hydrocolloid dressings in the treatment of noninfected, partial-thickness wounds (Myers et al). 1988;15:158-61
Ostomy
Concerns of clients and spouses regarding ostomy surgery for cancer (Coe and Kluka). 1988;15:232-9

P

Pancreatic fistula
Management of fistula care with a wound drainage collector (Tonn). 1988;15:87-90 (Case notes)
Patient care planning
Life span growth and development: a review and application to nursing diagnosis (McWeeny). 1988;15:81-6 (Keeping current)
Patient education
Preparing the patient for home care of the percutaneous nephrostomy tube (Guidos). 1988;15:187-90
Teaching ostomy care to the pediatric client: a developmental approach (Erwin-Toth). 1988;15:126-30
Pediatric nursing; *see also* **Pediatrics**
Information requested (Johns). 1988;15:144 (Letter)
Teaching ostomy care to the pediatric client: a developmental approach (Erwin-Toth). 1988;15:126-30

Pediatrics; *see also* **Pediatric nursing**
Common conditions requiring gastrointestinal stomas in infants (Roback and Boarini). 1988;15:162-6 (Keeping current)
Diaper dermatitis in the hospitalized child (Kramer and Honig). 1988;15:167-70 (Case notes)
Percutaneous nephrostomy; *see* **Nephrostomy, percutaneous**
Potassium deficiency
Tea as source of potassium replacement? (Zapotocky) (Letter); (Holmes and Notarangelo) (Reply). 1988;15:50
President's message
ET nurse entrepreneurs (Motta). 1988;15:181-2
Opportunities in face of a supply crisis (Motta). 1988;15:145-6
Promotional strategies for ET nurses (Motta). 1988;15:51-3
Reflections on the first year in office (Motta). 1988;15:99-101
Survival of the fittest (Motta). 1988;15:1-2
Twenty years of growth and caring. 1988;15:215-8
Pressure sore; *see* **Decubitus ulcer**
Professional competence
Survival of the fittest (Motta). 1988;15:1-2 (President's message)
Public relations
Promotional strategies for ET nurses (Motta). 1988;15:51-3 (President's message)
Reflections on the first year in office (Motta). 1988;15:99-101 (President's message)
Publishing
Editorial perspectives (Halpin-Landry). 1988;15:3 (Editorial)

R

Radiation injuries
An unusual challenge: oral-cutaneous fistula (Sage). 1988;15:91-2 (Case notes)
Rehabilitation
Preliminary development of the Family in Rehabilitation Inventory (Watson). 1988;15:196-200
Rehabilitation centers
Organization of the ostomy rehabilitation centers in Italy: current state and future perspectives (Giulainini and Giunchi). 1988;15:36-8
Research
Current concepts in wound healing: research and theory (Jackson and Rovee). 1988;15:133-7
In the future: research and the ET nurse (Lindeman). 1988;15:56-9
Reviews
In review. 1988;15:49; 96; 180
A year in review (Halpin-Landry). 1988;15:219 (Editorial)
Risk factors
Assessment tools for the identification of patients at risk for the development of pressure sores: a review (Taylor). 1988;15:201-5 (Keeping current)

S

Skin
Maintenance of healthy skin (Klein). 1988;15:227-31
Skin ulcer; *see also* **Skin ulcer, therapy**
Assessment tools for the identification of patients at risk for the development of pressure sores: a review (Taylor). 1988;15:201-5 (Keeping current)
Dermal wounds: leg ulcers. 1988;15:102-17 (Standards of care)
Dermal wounds: pressure sores. 1988;15:4-17 (Standards of care)
More on pressure sores (Valencia). 1988;15:144 (Letter)
Opportunities in face of a supply crisis (Motta). 1988;15:145-6 (President's message)
"Saddle sores" and pressure sores (Carter). 1988;15:259 (Letter)
Skin ulcer, therapy
Cost-effectiveness and efficacy of air-fluidized therapy in the treatment of pressure sores (Greer et al). 1988;15:247-51 (Case notes)
Dermal wounds: pressure sores. 1988;15:4-17 (Standards of care)
The effects of a therapeutic bed on pressure ulcers: an experimental study (Jackson et al). 1988;15:220-6
Management of pressure sores (Doughty). 1988;15:39-44 (Keeping current)
Re: Management of pressure sores (Faller). 1988;15:214 (Letter)
Report of a multicenter clinical trial on the performance characteristics of two occlusive hydrocolloid dressings in the treatment of noninfected, partial-thickness wounds (Myers et al). 1988;15:158-61
Soaps
Maintenance of healthy skin (Klein). 1988;15:227-31
Soybeans
Soy allergy (Faller). 1988;15:259-60 (Letter)
Spouse
Concerns of clients and spouses regarding ostomy surgery for cancer (Coe and Kluka). 1988;15:232-9
Standards of care
Standards of care. 1988;15:4-17; 68-80; 102-7
Staphylococcus aureus
The impact of infectious diseases on health care providers (Spencer). 1988;15:60-4
Sunlight
Maintenance of healthy skin (Klein). 1988;15:227-31
Suppositories
Information requested (Saunders). 1988;15:214 (Letter)
Suture technics
A clinical report on the comparison of a drain/tube attachment device with conventional suture methods in securing percutaneous tubes and drains (Powers et al). 1988;15:206-9 (Case notes)

T

Tea
Tea as source of potassium replacement? (Zapotocky) (Letter); (Holmes and Notarangelo) (Reply). 1988;15:50

Temperature
Maintenance of healthy skin (Klein). 1988;15:227-31

U

Urinary incontinence
Urinary incontinence (Mash et al). 1988;15:68-80 (Standards of care)
Urinary incontinence (Weigel). 1988;15:24-9
Urinary incontinence: diagnosing the problem (Wheeler et al). 1988;15:240-6 (Keeping current)

W

Water-electrolyte balance
Fluid and electrolytes: assessment and interventions (Heitkemper and Bond). 1988;15:18-23

Wife; *see* Spouse
Wind
Maintenance of healthy skin (Klein). 1988;15:227-31
Wound healing
Current concepts in wound healing: research and theory (Jackson and Rovee). 1988;15:133-7
Report of a multicenter clinical trial on the performance characteristics of two occlusive hydrocolloid dressings in the treatment of noninfected, partial-thickness wounds (Myers et al). 1988;15:158-61
Writing
Editorial perspectives (Halpin-Landry). 1988;15:3 (Editorial) (Myers et al). 1988;15:158-61
